

# Platinum Buddy

**aptcoder**  
access the potential

**Web-App Development**

- HTML
- Css
- DOM Handling

**Mobile App Development**

- React Native
- JSX
- Design and Architecture
- App Deployment

**Forms Handling**

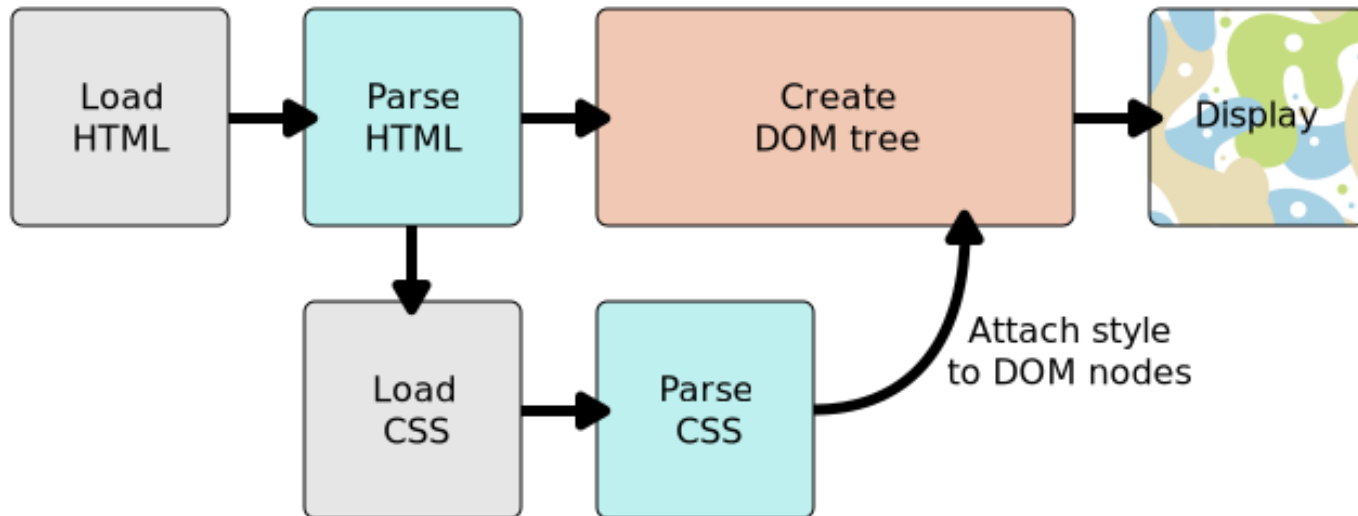

- UI/UX
- Event Handling
- Input Validations

**Firestore Integrated Applications**

- API Integration
- APP Deployment
- Data Handling
- Queries and Database

**Application Design Process**

- App Dataflow
- App UI
- Design Thinking
- App Gamification

## Python Programming

- Loops
- Functions
- List/Tuples

## Data Visualization

- Graphs
- Plots
- Variability
- Probability

## SpaceTech Data Analysis

- Clustering
- Estimation
- Descriptive Statistics
- Inferential Statistics

## AI and Machine Learning

- Prediction
- Importing data
- Statistical Modelling
- Training Model

## API Development

- Flask
- API
- Architecture
