

Lessons

Internet
safety

Sequence

Projects

Loops

Events

Learning

- 1. Internet safety level 1
- 2. Learn to program using loops sequence and events
- 3. Collaborate for coding
- 4. Investigate problem-solving techniques
- 5. Debugging of code
- 6. Persistence in the face of difficult tasks

Outcome

- 1. Create story and animation
- 2. Design game and developing basic games
- 3. Make simulations- like rocket technology, fighter aircraft etc.
- 4. Learn to share the work
